**DETAILED ACTION**

***Election/Restrictions***

1. Restriction to one of the following inventions is required under 35 U.S.C. 121:
  - I. Claims 1-7, drawn to a camera system with digital recording using a plurality of memories with selective read/write controls, classified in class 386, subclass 38,40,46,92.
  - II. Claims 8-12, drawn to a camera system with digital recording and presentation including color processing, pixel thinning and interpolation, classified in class 386, subclass 34, 50.
  - III. Claims 13-24, drawn to a camera system and method with digital recording, specifically for stereoscopic presentation, classified in class 348, subclass 42, 51.

The inventions are distinct, each from the other because of the following reasons:

2. Inventions I, II and III are related as subcombinations disclosed as usable together in a single combination. The subcombinations are distinct from each other if they are shown to be separately usable. In the instant case, inventions I, II and III have separate utility as evidenced from their respective classification. See MPEP § 806.05(d).
3. Because these inventions are distinct for the reasons given above and have acquired a separate status in the art as shown by their different classification, restriction for examination purposes as indicated is proper.

Art Unit: 2613

4. Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

5. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a petition under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(i).

***Address Correction***

6. A request for address correction filed July 6, 1999 is acknowledged.

***Priority***

7. Acknowledgment is made of applicant's claim for foreign priority under 35 U.S.C. 119(a)-(d). The certified copy has been filed in parent Application No. 09/174461, filed on December 10, 1998. ***Contacts***
